Silvana Nero: Your New Voice for North Sydney

The Christian Democratic Party (CDP) regards Joe Hockey's resignation as disappointing and the CDP thanks him for his outstanding service.

It's NOW time to move on and in recognition of the needs of the constituents of the federal seat of North Sydney the CDP is contesting this by-election.

For 34 years the CDP has stood for Aussie **values and traditions, job and national security, industry protection, infrastructure enhancement, health reform** and **One Law for all Australians.**

The CDP, with its record of achievement, commitment and experience in NSW State politics, is the only 'Conservative Alternative' for voters in the federal seat of North Sydney.

"The voters of North Sydney now have a golden opportunity to send a clear message to the rest of the nation and the Liberal Party machine," Silvana Nero

"The only True Conservative you can TRUST"

Key Electorate Issues

1. CDP opposes sale or lease of any land at Royal North Shore Hospital

The Christian Democratic Party has always been against the proposed sale or lease of valuable hospital land. Our federal party leader, Rev Hon Fred Nile MLC, has strongly supported the staff of the Royal North Shore Hospital, and is on record for opposing the NSW Government's cutbacks and broken promises.

2. No Forced Amalgamation for North Sydney Council

The Liberal State Government wants North Sydney to merge with Mosman, Willoughby, Hunters Hill, Lane Cove and approximately two thirds of Ryde. CDP opposes forced amalgamations for North Sydney Council due to the potential for higher rates, decreased services and reduced representation.

3. CDP calls for Urgent funding for Aged Care Facilities

The role of registered nurses within residential aged care in NSW has found they are essential to high-quality care and recommends the retention of a legal minimum requirement to ensure registered nurses are on duty at all times. The CDP calls for adequate funding to provide for 24/7 registered nurses in all aged care facilities.

4. GST – CDP strongly opposes hike in GST

- A 50 per cent increase in GST will be detrimental to families who already struggle to meet household necessities.
- An overall strategic reform of our tax system including personal and business tax cuts and a review of payroll and stamp duty is what is needed.
- The CDP opposes the Liberals and Greens plan for a hike in GST and Carbon Tax.
